The Details

Inclusions

2-hour Virtual or In-Home Consultation

The consultation with Eliza can be completed either in-home or virtually over zoom. Prior to the session you will receive a questionnaire to outline your unique requirements and what you are wanting to get out of the consultation. This allows us to hit the ground running during your session and tailor the consultation to your needs.

Bespoke Style Guide & Action Plan

You will also receive a drawn-up guide of all the details discussed within the consultation and specific imagery, links and items referenced for your convenience. This will allow you to move forward with confidence, take actionable steps and bring your vision to life!

Pricing

In-Home Consultation - \$935.00
